Our Katrina experience was:

Different then anything either of us had experienced. We used to live on Julia St close to the water and recently build our new home (16 mos) in Waveland to be safer however this storm ruined our home as it was totally flooded. But we can still use our home, however we lost everything inside of our home. It was very difficult to see everything was gone as this was our ~~ready~~ 1st first really big storm as we are

Write something special that you would like Santa to bring you or your family: → on back

Santa could bring my husband some clothes 3XL shirts Big & tall and some pants 48 waist + 30" in length. I would like some nice towels, king size sheets & comforter. I would also like a pair of house slippers size 9. Doggie treats for our pets.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

Not from here. We came to Mo about 18 yrs ago and love our great little city. We are going to stay as this is our home now and will be retiring here.
